

25 March 2026

Warwick Arts Centre, UK

The future of product development technology

Exhibitor & Sponsor Prospectus - www.develop3dlive.com

WHY DEVELOP3D LIVE IN 2026?

Now in its 12th year, DEVELOP3D LIVE has grown into the leading one day conference and exhibition on product development technologies.

The event takes place in Coventry, UK and attracts some of the most influential technologists and decision-makers working in design, engineering, product development, and manufacturing sectors. These include CEOs, R&D teams, directors, and heads of engineering from small consultancies to large multinational corporations.

Sponsors at DEVELOP3D LIVE get an unparalleled opportunity to showcase technology and build relationships with people from these leading firms and form alliances with other software developers/hardware manufacturers and resellers.

DEVELOP3D LIVE topics

- Product Development
- Sustainable Design
- Additive Manufacturing
- Simulation and Analysis
- Physical/digital prototyping
- Reverse engineering
- Digital Workflows
- Agile Manufacturing
- Technical Documentation
- Data Management
- Workstation technology
- Generative design
- Design Technology
- Topology Optimisation
- CMF Design
- Accelerator Programs
- Startups
- Machine Learning
- Artificial Intelligence (AI)
- Industry 4.0
- Design Collaboration
- Visualisation
- Mixed Reality
- Future Fabrication

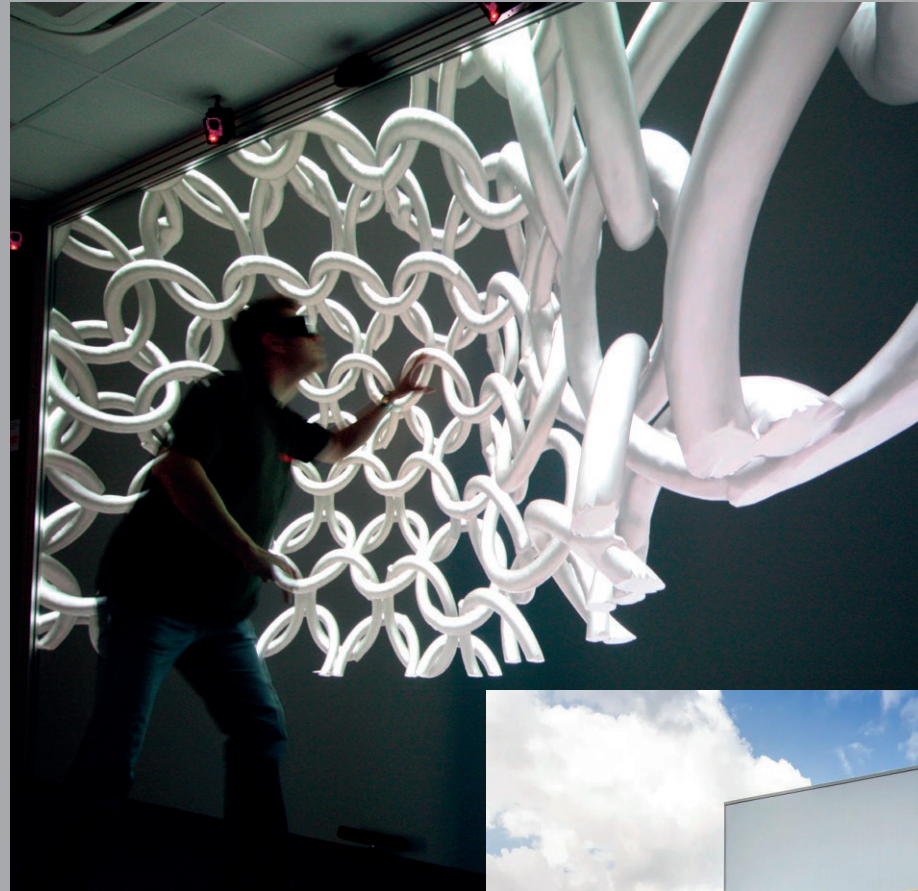

WHY WARWICK?

DEVELOP3D LIVE 2026 will be held on 25 March 2026 at the University of Warwick Arts Centre in Coventry, UK.

The event was launched at the University of Warwick 12 years ago and returned in 2023, following a £25M+ renovation of the Arts Centre, offering world-class event facilities.

Warwick is centrally located in an area with a rich heritage of automotive design and manufacturing, as well as machine and tooling fabrication. WMG (Warwick Manufacturing Group) and the engineering department at the University of Warwick will partner with DEVELOP3D LIVE to bring their extensive R&D facilities and experts into the fold.

DEVELOP3D LIVE will be held over two floors with food and tea/coffee served throughout the day.

WHO ATTENDS?*

DEVELOP3D LIVE attracts key decision makers from design, engineering and manufacturing.

60% of delegates are director or management level.

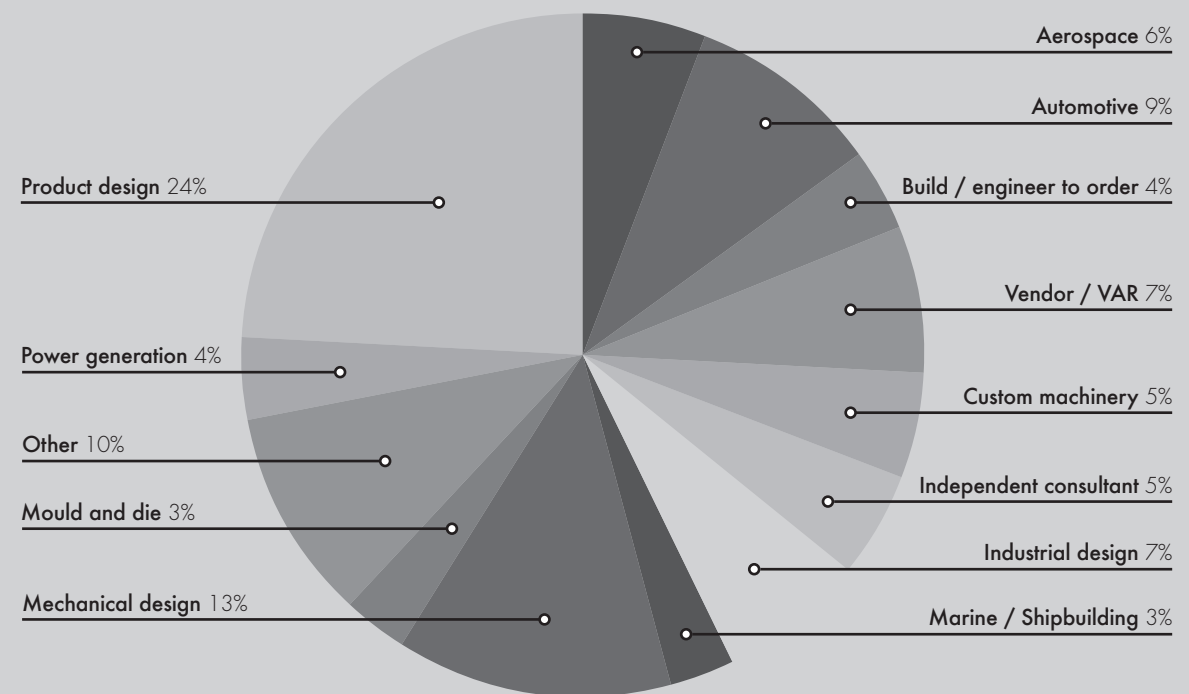

Sample job titles

| | |
|-----------------------------|-------------------------|
| Product Designer | Manufacturing Engineer |
| Engineering Director | Design Director |
| Industrial Designer | Senior Program Engineer |
| Head of Digital Engineering | 3D Artist |
| Technology Director | Automation Engineer |
| Head of R&D | Head of Engineering |
| Mechanical Engineer | CAD Manager |

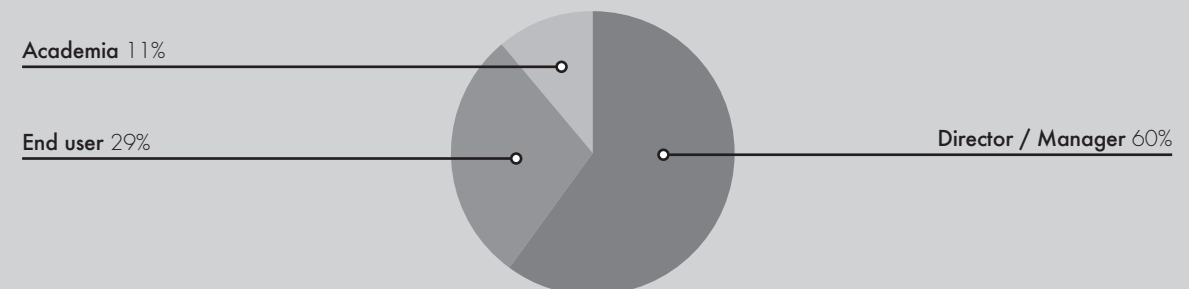

Sample participating organisations:

Airbus, Bose, Nissan, DCA, Dyson, TATA, Stannah, Ocado, BAE Systems, Boeing, Kohler Mira, New Balance, Kraft Foods, Nestle, Asda, Sainsburys, Deutsche Bank, Neville Johnson, Augusta Westland Helicopters, Miele, Cementation Skanska, Clarks International, Balfour Beatty, Utility Solutions, Design Council, Thales, Kohler, Moog Controls, seymourpowell, Polestar, Frazer Nash consultancy, Royal Shakespeare Company, British Standards Institute, Science Museum, Jaguar Land Rover, NHS, Foster and Partners, McClaren Racing, Aston Martin, Shell UK, Bosch, RNLI, Her Majesty's Government Research, Norgen, Marshalls, Volkswagen, B&W Group, Williams Formula 1, General Motors, Motorola, VAX, Metropolitan police, Leadbitter, Pashley Cycles, BAM, Honda UK, Intel, Wicks and Wilson, McClaren Automotive, Renthal, Olympus, Fujitsu Laboratories, Wilmott Dixon, Kier Construction, Chevron, Mercedes Benz Grand Prix Ltd, Marshall Aerospace and Defence Group, Adobe, James Purdey & Sons, James Walker Devol, Lagonda, Adidas, Rolls Royce, Lenovo, HP, Triumph Designs, Formula One Management.

Industry sector

Job function

DEVELOP3D LIVE delegates seek out a wide range of technologies and services that touch the entire product development process.

These include CAD • CAE • CAM • Workstation Technology • Additive Manufacturing • 3D Printing
Product Data Management (PDM) Product Lifecycle Management (PLM) • Systems Engineering • Hardware •
Rendering and Animation • Technical Publications • Reverse Engineering • Metrology & Inspection
Design for Sustainability • Mould and Die Design + lots more

WHAT THE DELEGATES SAY

Kevin Quigley

Owner, Quigley Design

4d ...

Another great event! Such a high quality of talks this year 🙌
You saved the best for last though. That Facit talk was outstanding, and great to see some AEC input.

Roopinder Tara

Editor in Chief, ENGtechnica

4d ...

What a great conference. You guys are amazing. I only wish it would be more days.

Richard Gale ✓

Design for tomorrow. Market today. Helping the world's most innovative ...

...

DEVELOP3D LIVE earlier this year was the best event I've attended in a long time. It was great meet so many engaged people looking for ways to improve their product or their product design process.

Simon Leigh, PhD

Head of Customer Success @ Infinitive | Infinite Customisation, Simplified

4d ...

As always, a great event and some really interesting talks and keynotes. You guys always have the knack for finding and giving exposure to some amazing and inspiring examples of design work that might fly under the radar otherwise. Safe travels home.

Richard Gale

3d ...

Well deserved, it was a great year, I think maybe the best Dev3D Live I've attended. The quality and diversity presentations was impressive, it's incredible to think about the knowledge in that room!

Jenna Laville

Senior Business Analyst at Wren Kitchens

...

Amazing day at **DEVELOP3D LIVE**. Really opened my eyes to the future technologies and ever evolving world of all things 3D. Great to network with like minded people and excited to see the future!

Dan Carter

Head of Consumer Design

3d • 🌐

...

I had an amazing day at **DEV3D LTD** Live yesterday.

I was blown away by **Henrik Svanvig** 's digital and ai workflows for concept development and ergonomic assessment.

Logitechs new VR pen for **Meta** Quest looks like a really useful tool making **Gravity Sketch** more intuitive for designers.

But the Main stage talks were the real highlight of the day. **Tom Jarvis**'s talk about designing for longevity and reparability at **Kingfisher plc** really resonated.

3d • 🌐

Thanks **DEVELOP3D LIVE** for a great event yesterday. And thank you for my stage time showcasing **Siemens Digital Industries Software** transforming the future of design with AI and immersive technologies. Watch again link to come, but a big topic was Siemens Designcenter, announced earlier this year, simplifying access to design software no matter if you're a student, maker, startup, OEM, or anywhere in-between. Have a look!

Olivier Sappin

CEO CATIA at Dassault Systèmes

Thank you, **DEVELOP3D** An amazing conference that proves once again: CAD is not a commodity.
Maybe today, CAD means Cognitive Augmented Design.

See you next year!

+ Follow ...

As the week wraps up, we want to extend a big thank you to everyone who joined us at **DEVELOP3D LIVE** at **University of Warwick**!

More than just an event, it was a chance to connect with partners, industry peers, and the brilliant minds shaping the future of design, engineering, and manufacturing. We had some great conversations, shared ideas, and showcased how our **Developer Toolkits** and **Industrial Applications** can unlock the power of 3D engineering data.

To participate in DEVELOP3D LIVE, there are a number of options for developers, distributors and VARs

PLATINUM PACKAGE - £11,990

- Double sized pop-up stand (6 x 2m). Electricity and WiFi provided
- Exclusive video interview during the event
- Larger, more prominent logo throughout event and on digital assets
- All GOLD PACKAGE benefits

GOLD PACKAGE - £8,250

- Double sized pop-up stand (6 x 2m). Electricity and WiFi provided
- Logo on all stage banner posters
- Video slot on DEVELOP3DLIVE.com to run promotional film
- Logo on all post-event DEVELOP3D LIVE videos
- All SILVER PACKAGE benefits

SILVER PACKAGE - £5,400

- Standard pop-up stand (3 x 2m). Electricity and WiFi provided
- HTML email sent to delegates who opt into 3rd party communication
- All BRONZE PACKAGE benefits

BRONZE PACKAGE - £4,050

- Standard pop-up stand (3 x 2m). Electricity and WiFi provided
- Banner advert on DEVELOP3DLIVE.com
- Logo on promotional email and print material
- Premium entry in the DEVELOP3D Magazine show edition
- All EXHIBITION STAND benefits

EXHIBITION STAND - £1,900

- Standard pop-up stand (3 x 2m). Electricity and WiFi provided
- Logo and company description on DEVELOP3DLIVE.com
- Entry in the DEVELOP3D Magazine show edition
- Only one company allowed to be represented per stand

Boost your visibility at DEVELOP3D LIVE

WELCOME RECEPTION SPONSORSHIP - £2,900 (2 available)

- Sponsor logo on signage throughout Welcome Reception
- Placement of sponsor marketing material on tables during Welcome Reception

LANYARDS - £1,200 (2 available)

- Sponsor provided lanyards given to delegates at check-in

LIVESTREAM SPONSORSHIP - £1,200 (2 available)

- Sponsor logo and link on the streaming portal page
- Recognition as Livestream Sponsor on event website and from general session

COFFEE SPONSORSHIP - £1,200 (2 available)

- Sponsor logo on signage during coffee breaks
- Optional coffee cups or napkins with sponsor logo (provided by sponsor)

KEYNOTE SEAT DROP - £900 (2 available)

- Sponsor marketing material placed in seats prior to keynote session

MEETING ROOM RENTAL - £900 (2 available)

- Meeting rooms may be rented for exclusive private meetings
- Sponsor logo will be placed on signage by the door

DEMO ROOM RENTAL - £700/hr (6 available)

- A dedicated demo rooms may be rented for exclusive product presentations
- Your product demo time slot will be listed in the conference program

BADGE SCANNER RENTAL - £150/ea

- Sponsors may rent badge scanners to collect delegate data during the events
